Sines et al, Plaintiffs v. Kessler et al Defendants

DEPUTY CLERK

Defendant Cartmell's Request for Documents

Today I received in the mail this
Court's decision on Plaintiffs' motion
to strike Defendant Spencer's Motion
for Summary Judgment.

I asked a friend to check the
docket for this case on CourtListener.com
and she says there is an entry
regarding a court decision or order
pertaining to motions I recently
filed, which appears earlier in the
timeline than the decision I received
today, but I have not seen the
document regarding my motions and
CourtListener.com does not allow my
friend to read it.

Please send or re-send this document
to me at the Tallahatchie Correctional Facility.

The Court appears to have the correct address, since I received the decision regarding the motion to strike and the Plaintiff's response to my motion for sanctions.

But, here it is again for good measure.
